

Catholic Action Committee Defends Marriage

Brother Bob Struble participated in a discussion panel following the screening of the new documentary, "The New American Family: Defining Commitment in a Changing Society" on May 1st in Seattle. Bob appears in the film defending marriage as a union between one man & one woman. He has represented the Knights well, often in hostile venues, and continues to fight for traditional marriage and Catholic values. A trailer for the film, which includes footage of Bob, can be viewed at <http://www.plu.edu/experience/2010-04/medialab-family-documentary/home>

Knights of Columbus Membership Tops 1.8 Million

The Knights of Columbus passed a significant milestone on April 30, 2010, when its membership exceeded 1.8 million.

At the end of the last day of April, the official tally of Knights of Columbus around the world stood at 1,800,445.

"Achieving this milestone in membership is a testament to the high regard in which the Knights of Columbus is held among Catholic men everywhere," Supreme Knight Carl A. Anderson said. "We offer a unique opportunity to serve our church and our communities as one of the most active service organizations anywhere in the world.

"We truly offer the 'experience of a lifetime,' to join brother Knights in a common effort to become better fathers, better husbands, better citizens and better Catholics, together with the opportunity to provide financial protection for their families."

Are you interested in joining this 1.8 million man strong Catholic fraternal organization? If so, please contact Council 1379's Membership Director Tom Davis or any other Knight.
