## World Marriage Day Celebrated This Sunday – February 13<sup>th</sup>

World Marriage Day honors husband and wife as head of the family, the basic unit of society. It salutes the beauty of their faithfulness, sacrifice and joy in daily, married life.

The idea of celebrating marriage began in Baton Rouge, La., in 1981, when couples encouraged the mayor, the governor and the Bishop to proclaim St. Valentine's Day as "We Believe in Marriage Day". The event was so successful; the idea was presented to and adopted by Worldwide Marriage Encounter's national leadership.

By 1982, 43 Governors officially proclaimed the day and celebrations spread to U.S. military bases in several foreign countries. In 1983, the name was changed to "World Marriage Day", designated to be

celebrated each year on the second Sunday in February. WMD celebrations continue to grow and spread to more countries and faith expressions every year. For more information, please visit <http://wmd.wmme.org/index.html>.
